PROHIBITION MASS MEETING.

Kurten Citizens Organize in Forthcoming Prohibition Election.

Kurten, Tex., March 4, 1914.

Pursuant to call, a part of the citizenship of justice precinct No. 3 in Brazos County, met in mass meeting to discuss and devise ways and means whereby we might meet the issue that is now before the voters of this precinct concerning the sale and bringing into our midst of intoxicants.

By unanimous vote, J. W. Hicks was elected chairman of the meeting, and W. F. Odom was elected secretary.

A committee on resolutions was appointed, consisting of three, viz., W. F. Odom, J. P. Gilpin and T. L. Tobias.

A campaign committee for the Kurten community was appointed, composed of W. J. Lawless, Jim Tobias and W. F. Odom, for the purpose of securing speakers and to confer and co-operate with the leaders and interested parties of other communities.

Short talks were made by different parties at the meeting in which great interest was manifested.

The meeting adjourned to meet from time to time as was thought best by the campaign committee.

Report of Committee on Resolutions. To the Chairman and Members of the Prohibition Mass Meeting Assembled at Kurten, Texas, March 4, 1914.

We, your committee on resolution, beg leave to submit the following report.

Whereas, there has been an election ordered by the commissioners' court of Brazos County, to be held on April 4, 1914, at Kurten, Texas, to determine whether or not intoxicating liquors shall be sold in justice precinct No. 3, Brazos County, Texas.

And whereas, we consider the passage of such a law would be detrimental to the peace, happiness and all the best interests of all the people of said precinct.

And whereas, the petition claims that there is not to be started a saloon in said precinct should the law be passed.

And whereas, we believe that this report is being circulated for the purpose of influencing votes for the passage of such law.

And whereas, we believe that should the election carry for the purpose designated by said petition, there will be one or more saloons established in said precinct.

And whereas, this is election year, and heretofore it has been the custom of certain candidates to bring into our precinct beer, whiskey and other intoxicating liquors for the purpose of influencing votes in their behalf.

And whereas, such action on the part of candidates is very degrading in its influence.

Therefore, be it resolved, that we, as citizens of precinct No. 3, protest against such conduct and practice, and appeal to all candidates to abstain from this practice in the coming election.

We therefore would appeal to and urge upon all good citizens in the bounds of said precinct to unite with us in using every honorable means at our hands to defeat the proposition as it is proposed in the said petition, fully believing that every vote cast against said proposition will be a vote

to maintain the purity, peace and dignity of our heretofore quiet and orderly precinct.

Respectfully submitted,

W. F. ODOM, Chairman,

J. P. GILPIN,

T. L. TOBIAS,

Committee.

CARD FROM MAYOR HARRIS.

My attention having been called to the paragraph in The Eagle of Tuesday afternoon stating that when Main street was opened, that speeding would be permitted for one hour, I wish to make this statement. Speeding is a violation of both the State law and the ordinances of Bryan, and no speeding will be allowed. All parties violating the traffic ordinances of the city will be prosecuted to the full extent of the law. No person has authority to suspend any law, and there will be no suspension in Bryan.

W. W. HARRIS,
Mayor of Bryan.

March 11, 1914.

With reference to the paragraph in The Eagle above referred to, we will state the information was given The Eagle reporter by Deputy Marshal Worley. Whether he meant it as a joke, or was in earnest about it, we are not in a position to state, but we thought at the time, and still think, the whole thing was intended as a joke and that no one would take it seriously.

EDITOR EAGLE.

LAW TO BE ENFORCED.

City Attorney W. T. Young says the parties who violated the speed ordinances on Main street Sunday afternoon will be prosecuted to the limit. Whether ladies or men, there will be no exception, and he does not want the idea to get out that they will be let off this time, next time or any other old time. It's slow up or dig up.

BRENNHAM BANKER DEAD.

Mr. H. K. Harrison, a prominent banker and business man of Brenham, died at 7 o'clock last evening. He was the father of Mr. R. A. Harrison and Mesdames Mabel Castles and John E. Astin of this city. All the relatives here have gone to Brenham to attend the funeral.

METHODIST PRAYER MEETING.

The midweek service of prayer will be held at the church tonight at 7:45. Some special matters will be discussed. It is hoped that the weather will not prevent a large attendance.

New, Spare-Time Profession for Men
and Women—One Man Makes
\$3500 in Six Months.

Owing to the large number of new motion picture theatres which are being opened throughout the country, there is offered to the men and women of today, a new profession, namely, that of writing moving picture plays. Producers are paying from \$25 to \$150 for each scenario accepted, upon which they can build a photo play.

\$3500 in Six Months.

As it only requires a few hours' time to construct a complete play, you can readily see the immense possibilities in this work. One man, who gave the idea a tryout, writes that he earned \$3500 in six months. It is possible for an intelligent person to meet with equal success.

One feature of the business which should appeal to everyone, is that the work may be done at home in spare time. No literary ability is required, and women have as great an opportunity as men. Ideas for plots are constantly turning up, and may be put in scenario form and sold for a good price.

Particulars Sent FREE. Complete particulars of this most interesting and profitable profession may be had FREE OF CHARGE by sending a post card to:

PHOTO PLAY ASSOCIATION,
Box 158, Wilkes-Barre, Pa.

NOTICE TO THE PUBLIC.

All persons owning automobiles must register same as required by the ordinance of the city, or I will be forced to prosecute them immediately.

All persons who are by the law required to connect with the sewerage must do so at once or I will be required to prosecute them. Your neighbors are complaining about you not connecting and it is no excuse that you are not able to do so. I know that the city government and the enforcement of its laws has been looked upon by many as a joke, but you will find, if you do not comply with the above request, you will surely be prosecuted.
